DIM SUM

(CHORUS)
I like to eat DIM SUM
I'd like to eat it everyday
You can use a fork if you can't use chopsticks
To eat DIM SUM there's no wrong way

Mmm... Yeah, DIM SUM be my favorite,
Gonna order way too much so that I can save it.
That way I could have some each & every day
But before I start, you know I have to pray
to thank God for inventing this wonderful food.
They should have a DIM SUM joint in every neck of the hood.
Forget the quail & manna give me HA GOW & SIU MAI,
have it with GOOK FA CHA or a little WAI TA NAI,
Oh I love it when the cutie says', "GAY DOH YUN, how many?
just one, any more? Oh yeah got my granny.
Then there's my ABC bro who can barely speak Chinese,
Cept when it comes to DIM SUM he can speak as he please
Ah...America, land of the free
in every major city, I can fix my DIM SUM need.
Just go across the street, I don't have to cross the border.
Wait...hold up a sec...I have to place my order

(CHORUS)

Gotta hurry after church, gotta go to Rice Bowl.
In a rush so I need a DIM SUM order to go.
Cut someone off and I almost got shot
But nothing's gonna stop me from getting some DON TOT.
Ooo crispy crust w/ that egg custard filling
I could eat as many from the floor to the ceiling.
In '84 went to Hong Kong, I knew I had it made,
cuz I ate six CHA SEEW BOWS. I was only in 4th grade.
If my mom didn't stop me I coulda eaten it all day.
But still I bowed my head & this is what I prayed:
give me CHA SEEW in my BOW to keep me burning burning burning
give me CHA SEEW in my BOW I pray
give me CHA SEEW in my BOW to keep me burning burning burning
keep me burning till the break of day
Oh! LOH BOK GOH. Everybody oughta know,
DA BEAN LOW's got no hold when it comes to CHA SEEW SOW.
Oo! Here comes the chicken feet oh it tastes so good. suck the
skin off each toe like everybody should. Aw
Man, I'm getting hungry just thinking about it,... so
Come on everybody let me hear you holla, Shout It!!

(CHORUS)
