

Searchin'

Ps 42-43, Phil 4:7

Written/Performed by: Only Won

Featuring: Larissa Lam

Produced by: Noel Arthurton

God, I'm searchin' for your peace...Can you grant me this one request?
Broken down, twisted up, beaten up, need your help, cuz I'm feeling quite depressed
myheart hurts so much that I just wanna cry, many times I wish I could finally die.
To know the ones I love could now hate me... Stab me in the back so selfishly
I wake up in the mornings all alone...wondrin' where the times have gone
Many times I feel like crying out,.. other times I feel I need to shout.
I try to praise you God, but don't feel the spirit. I wonder if it's cuz I choose not to hear it.
Why do I feel pain while they rejoice?... Is it cuz of me or their own choice?
I try to keep the faith and work things out, but how can I work when my faith runs out?
Listen to my cry cuz I want to end this life I live without no friends.
It hurts me to forgive when others sin, but so do I so please do mend.
Every night I cry myself to sleep, so I humbly ask you God for peace.

(Hook)

I've been searchin' for so long, and I've finally found what I've been looking for
I had the answer all along, but I never acknowledged it before.

My heart can't seem to mend,... I feel the wound has been reopened.
I'm afraid of confrontation so all I do is keep on hoping.
How do I cast my cares upon, when all day long I'm faced with wrong?
This world sets our hopes on high, when it's the ones you love that'll make you cry.
Sometimes I'm shedding tears... and nothing here seems fair.
no one seems to care, no one seems to hear and I doubt that God is near?
It seems I've lost some, maybe all, I'd get up, but then I'd fall
Many times I thought that I forgave. But the more I try, the more betrayed
The more I try, the more I fail.... At what point do I prevail?
Just doesn't seem I can do things right... Not By strength, but by your might.
How do I face these riffs again?... How do I know that hardships end?
How do I keep my heart from hurtin'? Can you hear me? God I'm searchin'.

(Hook)

I've been searchin' for so long, and I've finally found what I've been looking for
I had the answer all along, but I never acknowledged it before
Now I'm singing Gloria....gloria...I raise my hands up to the sky
Singing Gloria...Gloria...I raise my hands up to the sky.

I know it's hard to live like this...feeling there can't be bliss.
Thinkin' back...lookin...planning forward...hopin...tryin' not to reminisce
God I'm Searchin' for a hope moment, searchin' for a peace moment.
My prayer to you, that you share love too, ... to all who's searchin', please show them

(Hook)

I've been searchin' for so long, and I've finally found what I've been looking for
I had the answer all along, but I never acknowledged it before
Now I'm singing Gloria....gloria...I raise my hands up to the sky
Singing Gloria...Gloria...I raise my hands up to the sky.

Maybe you've been hurt...maybe you were betrayed
maybe you got taken advantage of and you feel that justice will never be served.

Many times when we're in pain we too forget that we can hurt others just as much
And we forget that there is a love that can overcome any pain.

So if you're searchin' for peace....searchin' for hope....searchin' for love....searchin' for God
don't stop. One day your search will end...and you'll have all of the above...Peace.
